GETLOCAL COMMUNITY IMPACT APP

Revolutionizing Workforce
Procurement in local to site
communities

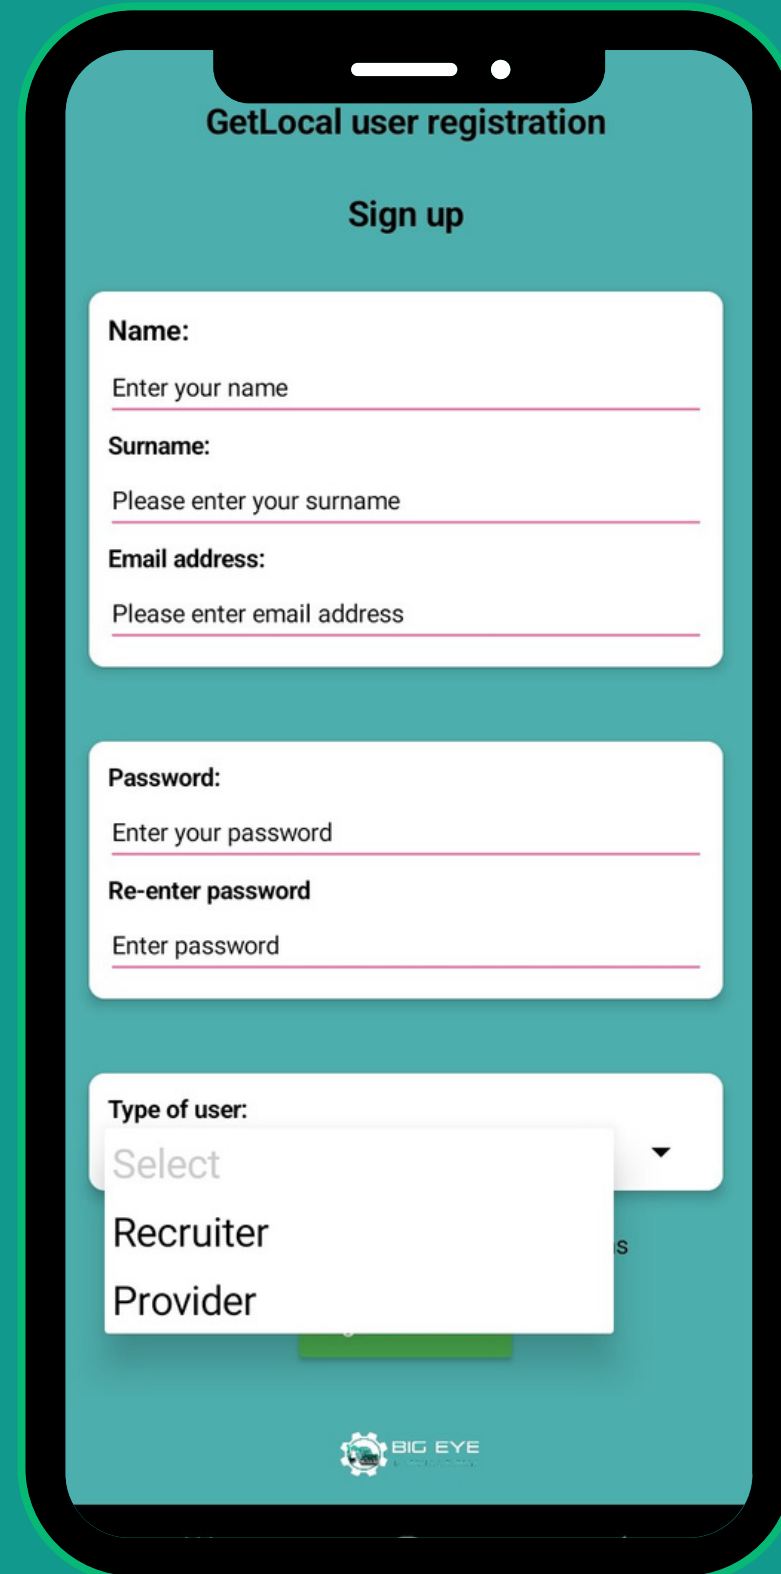

INTRODUCTION

The mission of the "GetLocal Community Impact" app is to revolutionize workforce procurement in South Africa by creating a comprehensive and collaborative platform.

The app's purpose is to empower local communities, SMMEs, and non-profit organizations, **through transparent procurement for contractors working in those communities**, fostering sustainable economic growth and positive social change.

REGISTRATION SCREEN

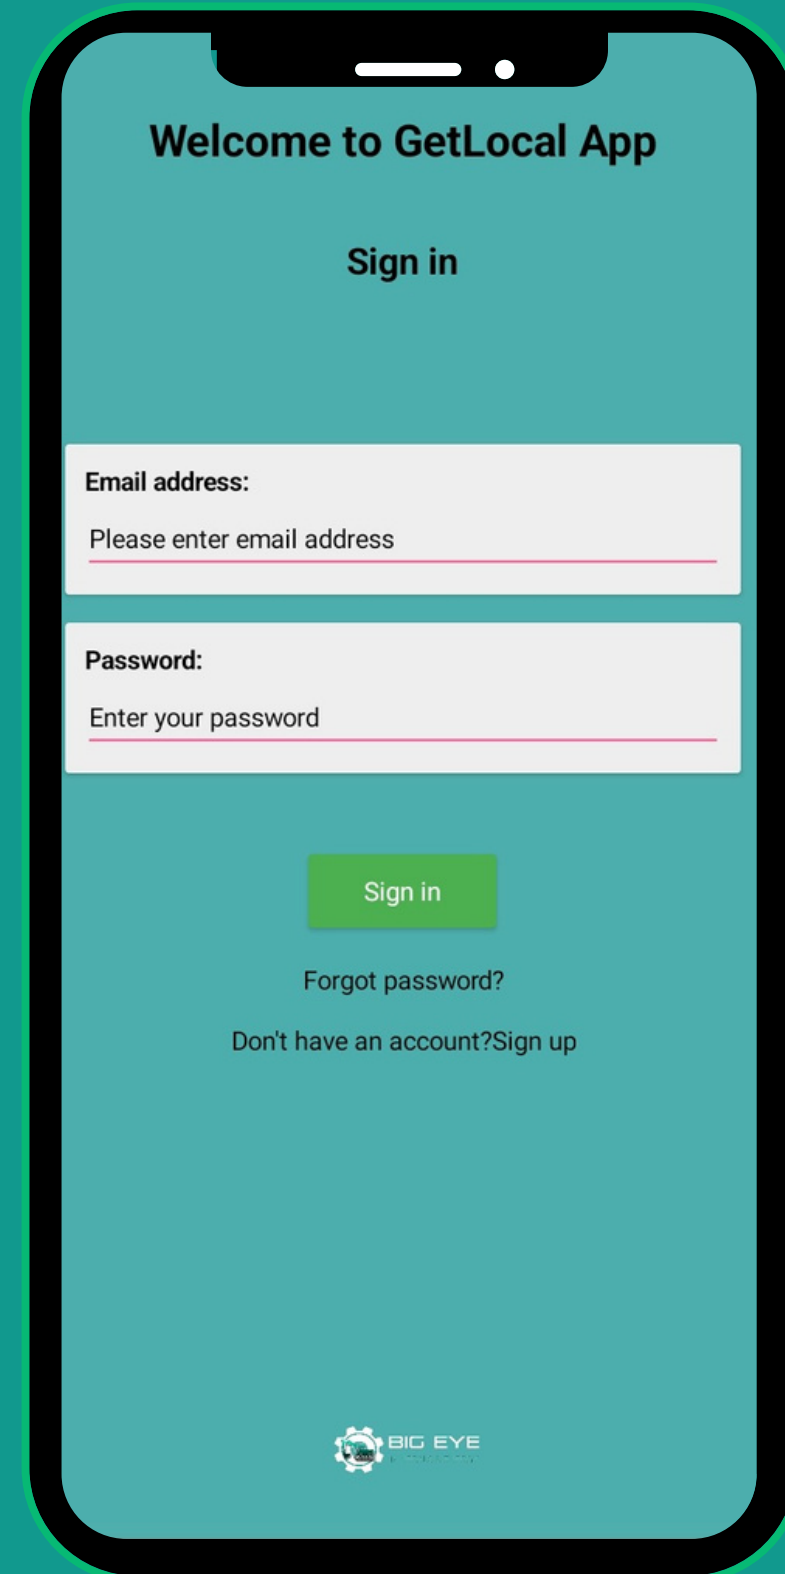

The image shows a smartphone screen with a registration form. The title is 'GetLocal user registration' and the subtitle is 'Sign up'. The form is divided into three main sections: 1. Personal Information: 'Name:' with a text input 'Enter your name', 'Surname:' with a text input 'Please enter your surname', and 'Email address:' with a text input 'Please enter email address'. 2. Password: 'Password:' with a text input 'Enter your password' and 'Re-enter password' with a text input 'Enter password'. 3. User Type: 'Type of user:' with a dropdown menu showing 'Select', 'Recruiter', and 'Provider'. At the bottom, there is a logo for 'BIG EYE'.

The user will register on the application using name,surname,email, password and the user will select the user group they fall under.

DASHBOARD SCREEN

Upon signing the user will have the option to select different functionalities including browsing through the type of service providers, see notification updates from local industries, mines and/contractors or use the other buttons located at the bottom of the screen to navigate through the app

USER PROFILE SCREEN

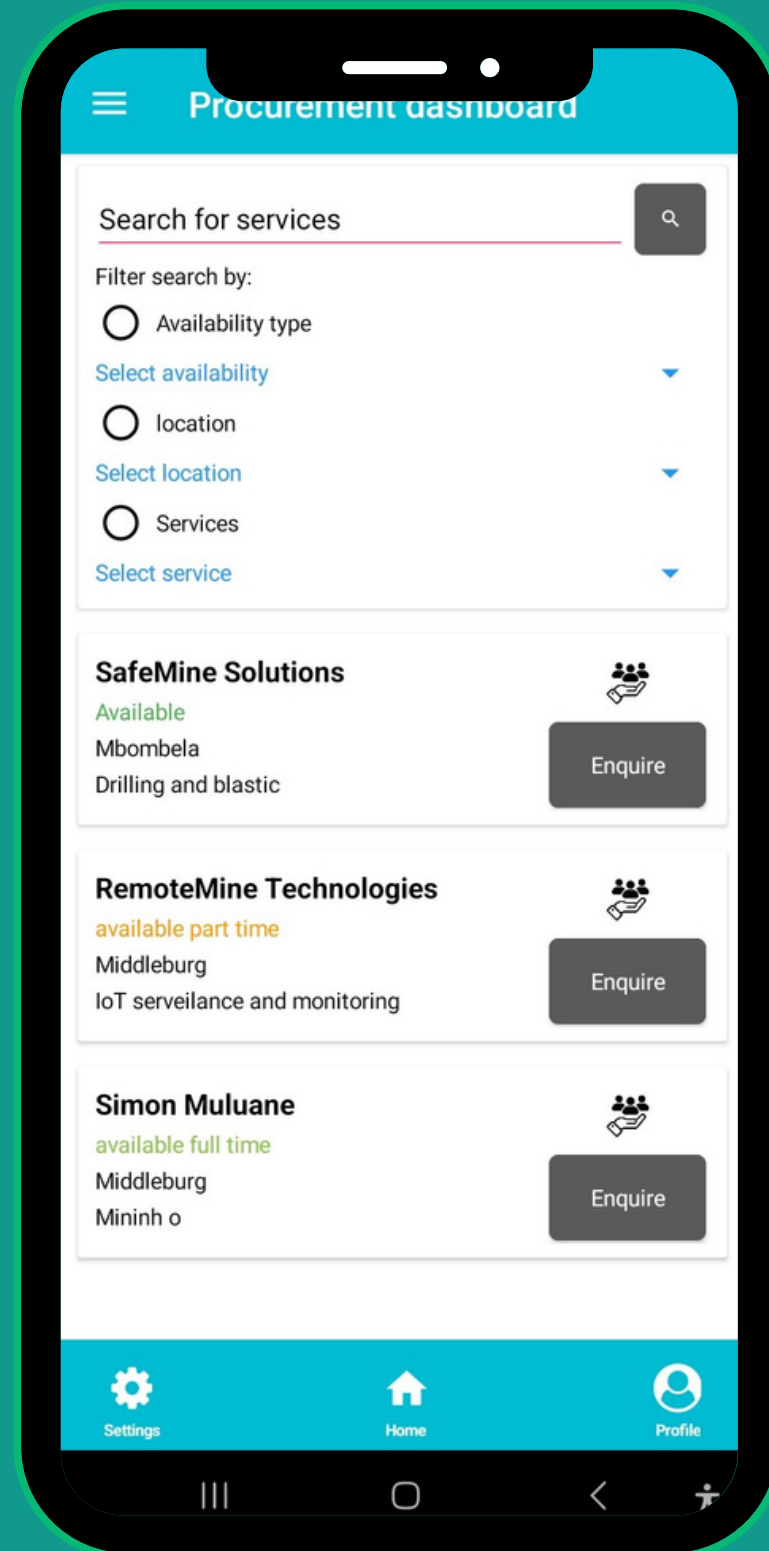

The image shows a smartphone mockup of a user profile screen. The screen is titled "Profile Information" and features a profile picture placeholder. Below the profile picture are input fields for "Enter Firstname" and "Enter Lastname". The screen is divided into two main sections: "CONTACT INFO" and "ADDRESS". The "CONTACT INFO" section includes input fields for "Enter Email address" and "Enter PhoneNo". The "ADDRESS" section includes input fields for "Enter Streets", "Enter City", "Enter Province", and "Enter Zip Code". Below these sections is a "SKILLS AND EXPERIENCE" section with a text area for listing qualifications and skills. At the bottom of the form is a "PREFERRED WORK LOCATION" section with a dropdown menu for "Select Province" and a checkbox for "Accepts Terms and Conditions". Two buttons, "SAVE" and "UPDATE", are positioned below the form. The bottom navigation bar contains icons for "Setting", "home", and "search".

The user will edit and update profile.
